Dragonwell

Dragonwell is one of China's most highly prized green teas. Renowned for its superior quality, it has a nutty flavour, buttery mouth feel and a pleasantly dry finish.

Jasmine

A traditional Chinese green tea harvested and stored with jasmine flower buds to scent the leaf during a multi-day process. A fresh and subtly sweet floral brew.

White Peony

White Peony, also known as Bai Mudan, is made from the youngest, sweetest tea leaves. Minimal processing of the freshly harvested leaf delivers a liquor that is light, sweet and fruity.

Milk Oolong

Milk Oolong is a luxurious Taiwanese tea produced through a unique process of withering under the strong sun and oxidation prior to curling and twisting. Expect a silky, smooth and lightly creamy flavour with orchid notes.

Darjeeling

Hailed as the 'Champagne' of black teas, this amber infusion has a fruity and floral notes and a hint of muscatel.

English Breakfast

Our traditional blend of English Breakfast is a robust, full-bodied tea with sweet malty undertones.
